## IT'S ALL IN THE LENS.

About six months ago we sold two kodaks fitted with special lenses.

The lenses cost more than the kodaks.

But the work turned out by these two kodaks was so far superior to the ordinary that the owners became enthusiasts.

Others saw the pictures and ordered special lenses for their kodaks. As a result we have sold more Goetz and Zeiss lenses already this year than in all the years we have been in business. We have always recommended such an equipment but the price of the special lens made customers reluctant to try it. Since they have seen the advantage we are getting orders nearly every day.

If you want the BEST results get a Goetz or Zeiss lens. We have several very fine ones in stock and will quote prices.

## STOVES, CROCKERY, SEWING MACHINES

Three new lines that we have just added to our large general stock.

The Michigan Stove Co. have transferred their agency to us and we already have a large and complete stock of these well-known stoves.

The Willcox & Gibbs Sewing Machine Agency has been transferred to us and we have a good stock of these Machines. There is nothing quite so good as the Willcox & Gibbs Automatic. Ask ladies who have used the same machine for over 20 years and they will tell you.

Crockery, Glassware and Household Goods in general we are going to give special attention to in future, and we are now getting our stock in place, having just opened up several large shipments.

## Built His Grave In Solid Rock.

Chicago, September 12.—A dispatch to the Record-Herald from Fulton, Ky., says: Colonel "Jim" Broder, a pioneer capitalist and eccentric old citizen of Fulton, died yesterday. Broder two years ago had a grave cut in solid rock for himself, and bought a casket, in which he had lain to get a good fit. He kept a piece of meat in the rock for a year to test its preservative qualities. He was wrapped in forty yards of linen which he had purchased some time ago for a shroud. Broder left instructions that he wanted to be buried forthwith. "Without any frills," as he often said, so he was laid in the strange grave a few hours after the breath left his body. A bottle of old liquor was interred with the remains of Colonel "Jim," as he was known in Western Kentucky.
